MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Wear of Class A Uniform During the 2<sup>nd</sup> Brigade Combat Team's Deployment

1. Purpose: To lessen the stress upon families remaining within the Schweinfurt Community during the 2<sup>nd</sup> Brigade Combat Team's current deployment to Iraq.
2. General: While it is not the Garrison's intent to preclude the wear of the Class A Uniform by Soldiers remaining in the Schweinfurt Military Community during the deployment, family members tend to associate the Class A Uniform with the duties of the Casualty Notification Officer. Family members who see Soldiers on-post wearing the Class A Uniform may be subjected to undue anxiety due to this association.
3. Wear of the Class A Uniform by Soldiers during the deployment should be minimized whenever possible. Soldiers required to wear the Class A Uniform on-post during the deployment will carry it to their place of duty and change while there in order to minimize visual exposure by dependents within the Schweinfurt Military Community.
4. POC is CPT Wilt, Adjutant, 354-1550.
